An Illustrated Encyclopedia: Uniforms of the Napoleonic Wars by Digby Smith is a very good introductory book on the uniforms and armies of the Napoleonic wars. Although this book is jam-packed with illustrations it tries to be all things to all people and ends up doing not much well, but those few things are very good.

An Illustrated Encyclopedia: Uniforms of the Napoleonic ...
British have about as much coverage as the French, which is surprising, given the lack of uniform variety, other than facings. Being a Napoleonic uniform newbe, I felt rather let down by this book. I do know about other eras and was expecting more from it, but it will serve as a basis to build on. Flags would have been nice too, but there are none.
