Lost in a Good Game**Why we play video games and what they can do for us** *Icon Books*

'Etchells writes eloquently ... A heartfelt defence of a demonised pastime' The Times 'Once in an age, a piece of culture comes along that feels like it was specifically created for you, the beats and words and ideas are there because it is your life the creator is describing. Lost In A Good Game is exactly that. It will touch your heart and mind. And even if Bowser, Chun-li or Q-Bert weren't crucial parts of your youth, this is a flawless victory for everyone' Adam Rutherford When Pete Etchells was 14, his father died from motor neurone disease. In order to cope, he immersed himself in a virtual world - first as an escape, but later to try to understand what had happened. Etchells is now a researcher into the psychological effects of video games, and was co-author on a recent paper explaining why WHO plans to classify 'game addiction' as a danger to public health are based on bad science and (he thinks) are a bad idea.

In this, his first book, he journeys through the history and development of video games - from Turing's chess machine to mass multiplayer online games like *World of Warcraft*- via scientific study, to investigate the highs and lows of playing and get to the bottom of our relationship with games - why we do it, and what they really mean to us. At the same time, *Lost in a Good Game* is a very unusual memoir of a writer coming to terms with his grief via virtual worlds, as he tries to work out what area of popular culture we should classify games (a relatively new technology) under.

The Book of Lost Friends

A Novel *Ballantine Books*

NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and

soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

Fans will rejoice that their favorite character in the Fforde universe is back. Watch a Video

The Eyre Affair

Great Britain circa 1985: time travel is routine, cloning is a reality (dodos are the resurrected pet of choice), and literature is taken very, very seriously. Baconians are trying to convince the world that Francis Bacon really wrote Shakespeare, there are riots between the Surrealists and Impressionists, and thousands of men are named John Milton, an homage to the real Milton and a very confusing situation for the police. Amidst all this, Acheron Hades, Third Most Wanted Man In the World, steals the original manuscript of Martin Chuzzlewit and kills a minor character, who then disappears from every volume of the novel ever printed! But that's just a prelude.

The Train of Lost Things *Penguin*

A magical story about a boy's love for his dying father and his journey to the mythic Train of Lost Things, where beloved lost objects are rescued and protected until they can be returned. Perfect for fans of *The Phantom Tollbooth*, *The Bridge to Terabithia*, and *Lost in the Sun*. Marty cherishes the extra-special birthday present his dad gave him -- a jean jacket on which he's affixed numerous buttons -- because it's a tie to his father, who is sick and doesn't have much time left. So when his jacket goes missing, Marty is devastated. When his dad tells him the story of the Train of Lost Things, a

magical train that flies through the air collecting objects lost by kids, Marty is sure that the train must be real, and that if he can just find the train and get his jacket back, he can make his dad better as well. It turns out that the train is real - - and it's gone out of control! Instead of just collecting things that have been accidentally lost, the train has been stealing things. Along with Dina and Star, the girls he meets aboard the train, Marty needs to figure out what's going on and help set it right. As he searches for his jacket, and for a way to fix the train, Marty begins to wonder whether he's looking for the right things after all. And he realizes that sometimes you need to escape reality in order to let it sink in. In this achingly beautiful adventure, it is the power of memories, and the love between a father and son, that ultimately save the day. Praise for *The Train of Lost Things*: "Paquette writes with compassion and a childlike sense of belief, and Marty's journey--both personal and fantastic--will speak to readers on many levels." --Booklist "Marty's inner dialogue will appeal to readers of Gordon Korman, Jeff Kinney, and Dav Pilkey." --School Library Journal "Marty's pain at the imminent loss of his father is keenly felt, and Paquette deftly balances the emotional weight of his fear and grief with his fantasy journey on a train flying through the universe." --Bulletin of the Center for Children's Books "Kids everywhere can relate to the sorrow of losing a cherished item, giving this narrated adventure story a wide appeal [and] readers will connect with the unconditional love and hope that exists between parent and child." --School Library Connection

Time Lost

Teenage Survivalist II

Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own share of agonizing loss. But when a murderous gang threatens to take away everything Ben has left, they flee to a wilderness area of a large city park where they learn to live off the land for survival.

Things We Lost to the Water

A novel *Vintage*

A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain

connected to one another as their lives are inextricably reshaped. This stunning debut is "vast in scale and ambition, while luscious and inviting ... in its intimacy" (The New York Times Book Review). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them.

Letters to the Lost *Bloomsbury Publishing USA*

The Big Over Easy

A Nursery Crime *Penguin*

Enter the world of the Nursery Crime Division in this novel from Jasper Fforde, the New York Times bestselling author of

the Thursday Next series and The Constant Rabbit Jasper Fforde's bestselling Thursday Next series has delighted readers of every genre with its literary derring-do and brilliant flights of fancy. In The Big Over Easy, Fforde takes a break from classic literature and tumbles into the seedy underbelly of nursery crime. Meet Inspector Jack Spratt, family man and head of the Nursery Crime Division. He's investigating the murder of ovoid D-class nursery celebrity Humpty Dumpty, found shattered to death beneath a wall in a shabby area of town. Yes, the big egg is down, and all those brittle pieces sitting in the morgue point to foul play. "[Fforde] knows a thing or two about leaping into new worlds. . . . It's hard not to see what all the enthusiasm is about." -Janet Maslin, The New York Times "A wonderfully readable riot." -The Wall Street Journal

The Lost Girls

The True Story of the Cleveland Abductions and the Incredible Rescue of Michelle Knight, Amanda Berry, and Gina DeJesus *St. Martin's Press*

New York Times bestselling crime writer John Glatt tells the true story behind the kidnappings and long-overdue rescue of three women found in a Cleveland basement. The Lost Girls tells the truly amazing story of Amanda Berry, Gina DeJesus and Michelle Knight, who were kidnapped, imprisoned, and repeatedly raped and beaten in a Cleveland house for over a decade by Ariel Castro, and their amazing escape in May 2013, which made headlines all over the world. The book has an exclusive interview and photographs of Ariel Castro's secret fiancé, who spent many romantic nights

in his house of horror, without realizing he had bound and chained captives just a few feet away. There are also revealing interviews with several Castro family members, musician friends and several neighbors who witnessed the dramatic rescue.

Lost & Found

A Memoir *Random House*

NATIONAL BESTSELLER • NEW YORK TIMES EDITORS' CHOICE • An enduring account of joy and sorrow from one of the great writers of our time, The New Yorker's Kathryn Schulz, winner of the Pulitzer Prize "I will stake my reputation on you being blown away by *Lost & Found*. It is brilliant and profound and charming, all at once."—Anne Lamott, author of *Dusk, Night, Dawn* and *Bird* ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, The Washington Post, Vogue, Los Angeles Times, The Philadelphia Inquirer, BuzzFeed, Esquire, Chicago Review of Books, Town & Country, Electric Lit, The Millions, Lambda Literary, The Rumpus, Lit Hub, The Week, Kirkus Reviews Eighteen months before Kathryn Schulz's beloved father died, she met the woman she would marry. In *Lost & Found*, she weaves the stories of those relationships into a brilliant exploration of how all our lives are shaped by loss and discovery—from the maddening disappearance of everyday objects to the sweeping devastations of war, pandemic, and natural disaster; from finding new planets to falling in love. Three very different American families form the heart of *Lost & Found*: the one that made Schulz's father, a charming, brilliant, absentminded Jewish refugee; the one that made her partner, an equally brilliant farmer's daughter and

devout Christian; and the one she herself makes through marriage. But Schulz is also attentive to other, more universal kinds of conjunction: how private happiness can coexist with global catastrophe, how we get irritated with those we adore, how love and loss are themselves unavoidably inseparable. The resulting book is part memoir, part guidebook to living in a world that is simultaneously full of wonder and joy and wretchedness and suffering—a world that always demands both our gratitude and our grief. A staff writer at The New Yorker and winner of the Pulitzer Prize, Kathryn Schulz writes with curiosity, tenderness, erudition, and wit about our finite yet infinitely complicated lives. Crafted with the emotional clarity of C. S. Lewis and the intellectual force of Susan Sontag, *Lost & Found* is an uncommon book about common experiences.

The Lost Family

A Novel *HarperCollins*

The *Lost Family* is an extraordinary read, the kind of book that makes you sob and smile, the kind that gives you hope.... It is compassionate, masterful and disturbingly contemporary."—Tatiana de Rosnay, bestselling author of *Sarah's Key* The New York Times bestselling author of *Those Who Save Us* creates a vivid portrait of marriage, family, and the haunting grief of World War II in this emotionally charged, beautifully rendered story that spans a generation, from the 1960s to the 1980s. In 1965 Manhattan, patrons flock to Masha's to savor its brisket bourguignon and impeccable service and to admire its dashing owner and head chef Peter Rashkin. With his movie-star good looks and tragic past, Peter, a survivor of

Auschwitz, is the most eligible bachelor in town. But Peter does not care for the parade of eligible women who come to the restaurant hoping to catch his eye. He has resigned himself to a solitary life. Running Masha's consumes him, as does his terrible guilt over surviving the horrors of the Nazi death camp while his wife, Masha—the restaurant's namesake—and two young daughters perished. Then exquisitely beautiful June Bouquet, an up-and-coming young model, appears at the restaurant, piercing Peter's guard. Though she is twenty years his junior, the two begin a passionate, whirlwind courtship. When June unexpectedly becomes pregnant, Peter proposes, believing that beginning a new family with the woman he loves will allow him to let go of the horror of the past. But over the next twenty years, the indelible sadness of those memories will overshadow Peter, June, and their daughter Elsbeth, transforming them in shocking, heartbreaking, and unexpected ways. Jenna Blum artfully brings to the page a husband devastated by a grief he cannot name, a frustrated wife struggling to compete with a ghost she cannot banish, and a daughter sensitive to the pain of both her own family and another lost before she was born. Spanning three cinematic decades, *The Lost Family* is a charming, funny, and elegantly bittersweet study of the repercussions of loss and love.

Recovery of the Lost Good Object *Routledge*

Recovery of the Lost Good Object brings together the hugely influential papers and seminars of Eric Brenman, revealing his impact on the development of psychoanalysis and allowing a better understanding of his distinctive voice amongst post-Kleinian analysts.

Gathered together for the first time in one volume, Eric Brenman's papers give the reader a unique insight into the development of his clinical and theoretical thinking. They highlight many issues which are relevant to the present debate about psychoanalytic technique, including: *The Narcissism of the Analyst* *Hysteria* *The Recovery of the Good Object* *Relationship Meaning and Meaningfulness* *Cruelty and Narrowmindedness* *The Value of Reconstruction in Adult Psychoanalysis*. The second half of the book documents three of the clinical seminars and covers the transgenerational transmission of trauma, the analysis of borderline pathology and the psychoanalytical approach to severely deprived patients. This collection will be welcomed by all psychoanalysts and psychotherapists, and other members of the helping professions interested in investigating the valuable contribution that Eric Brenman has made to contemporary psychoanalysis.

The Lost City of Z

A Tale of Deadly Obsession in the Amazon *Vintage*

The #1 New York Times bestseller from the author of *Killers of the Flower Moon*. In 1925, the legendary British explorer Percy Fawcett ventured into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called "The Lost City of Z." In this masterpiece of narrative nonfiction, journalist David Grann interweaves the spellbinding stories of Fawcett's quest for "Z" and his own journey into the deadly jungle, as he unravels the greatest exploration mystery of the

twentieth century.

The Constant Rabbit

A Novel *Penguin*

"Reads like a crazed cross between *Watership Down* and *Nineteen Eighty-Four*." --The Guardian "Every book of Fforde's seems to be a cause for celebration." -- Charles Yu, *The New York Times Book Review* on *Early Riser* A new stand-alone novel from the New York Times bestselling author of *Early Riser* and the *Thursday Next* series *England, 2022*. There are 1.2 million human-size rabbits living in the UK. They wear clothes and can walk, talk and drive cars, the result of an inexplicable Spontaneous Anthropomorphizing Event fifty-five years earlier. A family of rabbits is about to move into Much Hemlock, a cozy little village in Middle England where life revolves around summer fetes, jam making, gossipy corner stores, and the oh-so-important Spick & Span awards for the best-kept village. No sooner have the rabbits arrived than the villagers decide they must depart, citing their propensity to burrow and breed, and their shameless levels of veganism. But Mrs Constance Rabbit is made of sterner stuff, and she and her family decide they are to stay. Unusually, their neighbors--longtime resident Peter Knox and his daughter, Pippa--decide to stand with them . . . and soon discover that you can be a friend to rabbits or to humans, but not both. With a blossoming romance, acute cultural differences, enforced rehoming to a MegaWarren in Wales and the full power of the ruling United Kingdom Anti-Rabbit Party against them, Peter and Pippa are about to question everything they had ever thought about their friends, their nation, and their species. An inimitable blend of

satire, fantasy and thriller, *The Constant Rabbit* is the latest dazzlingly original foray into Jasper Fforde's ever-astonishing creative genius.

The Lost Man *Flatiron Books*

INSTANT NEW YORK TIMES BESTSELLER

Two brothers meet in the remote Australian outback when the third brother is found dead, in this stunning new standalone novel from Jane Harper. Brothers Nathan and Bub Bright meet for the first time in months at the remote fence line separating their cattle ranches in the lonely outback. Their third brother, Cameron, lies dead at their feet. In an isolated belt of Australia, their homes a three-hour drive apart, the brothers were one another's nearest neighbors. Cameron was the middle child, the one who ran the family homestead. But something made him head out alone under the unrelenting sun. Nathan, Bub and Nathan's son return to Cameron's ranch and to those left behind by his passing: his wife, his daughters, and his mother, as well as their long-time employee and two recently hired seasonal workers. While they grieve Cameron's loss, suspicion starts to take hold, and Nathan is forced to examine secrets the family would rather leave in the past. Because if someone forced Cameron to his death, the isolation of the outback leaves few suspects. A powerful and brutal story of suspense set against a formidable landscape, *The Lost Man* confirms Jane Harper, author of *The Dry* and *Force of Nature*, is one of the best new voices in writing today.

Lost in the Never Woods *Swoon Reads*

When children start to go missing in the local woods, a teen girl must face her fears and a past she can't remember to

rescue them in this atmospheric YA novel, *Lost in the Never Woods* from the author of *Cemetery Boys*. It's been five years since Wendy and her two brothers went missing in the woods, but when the town's children start to disappear, the questions surrounding her brothers' mysterious circumstances are brought back into the light. Attempting to flee her past, Wendy almost runs over an unconscious boy lying in the middle of the road... Peter, a boy she thought lived only in her stories, asks for Wendy's help to rescue the missing kids. But, in order to find them, Wendy must confront what's waiting for her in the woods. Praise for Aiden Thomas and *Cemetery Boys*: "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic." —Mark Oshiro, author of *Anger is a Gift* "Aiden Thomas masterfully weaves a tale of family, friendships, and love in a heartwarming adventure full of affirmation and being your best self." —C.B. Westside Lights

A Novel *HarperCollins*

The *Alienist* meets the magical mystery of *The Ninth House* as W. M. Akers returns with the third book in his critically acclaimed Jazz Age fantasy series set in the dangerous Westside of New York City, following private detective Gilda Carr's hunt for the truth—one tiny mystery at a time. The Westside of Manhattan is desolate, overgrown, and dangerous—and Gilda Carr wouldn't have it any other way. An eccentric detective whose pursuit of tiny mysteries has dragged her to the brink of madness, Gilda spends 1923 searching for something that's eluded her for years: peace. On the revitalized

waterfront of the Lower West, Gilda and the gregarious ex-gangster Cherub Stevens start a new life on a stolen yacht. But their old life isn't done with them yet. They dock their boat on the edge of the White Lights District, a new tenderloin where liquor, drugs, sex, and violence are shaken into a deadly cocktail. When her pet seagull vanishes into the District, Gilda throws herself into the search for the missing bird. Up late watching the river for her pet, Gilda has one drink too many and passes out in the cabin of her waterfront home. She wakes to a massacre. Eight people have been slaughtered on the deck of the *Misery Queen*, and Cherub is among the dead. Gilda, naturally, is the prime suspect. Hunted by the police, the mob, and everyone in between, she must stay free long enough to find the person who stained the Hudson with her beloved's blood. She will discover that on her Westside, no lights are bright enough to drive away the darkness.
