A Walk Across the Sun *Quercus*

Corban Addison's debut novel, A Walk Across the Sun, made waves when it was first published, called "pulse-revving with a serious message," by

O, the Oprah magazine. John Grisham said, "Addison has written a novel that is beautiful in its story and also important in its message. A Walk Across The Sun deserves a wide audience." A trained lawyer committed to the cause of advancing international human rights and abolishing modern slavery, Addison has written a novel that enlightens while it entertains; A Walk Across the Sun brings together three of Addison's great passions--storytelling, human rights, and the world's many cultures. Ahalya Ghai and her younger sister Sita are as close as sisters can be. But when a tsunami rips through their coastal village, their home is swept away, and the sisters are the sole survivors of their family. Destitute, their only hope is to find refuge at a convent many miles away. A driver agrees to take them. But the moment they get into that car their fate is sealed. The two sisters--confused, alone, totally reliant on each other--are sold. On the other side of the world, Washington lawyer Thomas Clarke is struggling to cope after the death of his baby daughter and the collapse of his marriage. He takes a sabbatical from his high-pressure job and accepts a position with the Bombay branch of an international anti-trafficking group. Thomas is now on a desperate path to try and save not only himself and his

marriage, but also the lives of the two sisters. From the Trade Paperback edition.

The Garden of Burning Sand
Quercus

The New York Times bestselling author John Hart raved that "If you like stories of good people struggling to do right in the world's forgotten places, there is no one better suited than Corban Addison to take you on the ride of your life." In *The Garden of Burning Sand*, Addison, the bestselling author of *A Walk Across the Sun*, creates a powerful and poignant novel that takes the reader from the red light areas of Lusaka, Zambia, to the gilded chambers of the Washington, D.C. elite, to the splendor of Victoria Falls and Cape

Town. Zoe Fleming, an accomplished young human rights attorney, has made a life for herself in Zambia, far from her estranged father--an American business mogul with presidential aspirations--and from the devastating betrayals of her past. When a young girl with Down syndrome is sexually assaulted in a Lusaka slum, Zoe joins Zambian police officer Joseph Kabuta in investigating the rape. Piecing together clues from the victim's past, they discover an unsettling connection between the girl--Kuyeya--and a powerful Zambian family who will stop at nothing to bury the truth. As they are drawn deeper into the complex web of characters behind this

appalling crime, Zoe and Joseph forge a bond of trust and friendship that slowly transforms into love. Opposed on all sides, they find themselves caught in a dangerous clash between the forces of justice and power. To successfully prosecute Kuyeya's attacker and build a future with Joseph, Zoe must risk her life and her heart--and confront the dark past she thought she had left behind.

A Walk in the Sun
HarperCollins

Katie Cotugno meets The Bridges of Madison County in a magnetic tale about summer love that stays with you long after the seasons change. Rose Darrow never wanted to spend her life working on her family's

farm. But when her family is rocked by an unexpected tragedy she has no choice but to put her plans for the future—and dreams of escaping her small town—on hold. Bodhi Lowell left home as a kid and hasn't looked back. Years of working farm jobs has given him the one thing he wants most: freedom to travel without answering to anyone. He's already looking past his job at Darrow Farm and plans on leaving in September—until he meets Rose. Neither Rose nor Bodhi can deny the sparks flying between them, but with the end of summer looming, they must decide if it is better to have loved and lost than never to have loved at all. . . .

The Tears of Dark Water *Thomas Nelson*

Daniel and Vanessa Parker are an American success story. He is a Washington, DC, power broker, and she is a physician with a thriving practice. But behind the gilded façade, their marriage is a shambles, and their teenage son, Quentin, is self-destructing. In desperation, Daniel dusts off a long-delayed dream—a sailing trip around the world. Little does he know, the voyage he hopes will save them may destroy them instead. Half a world away on the lawless coast of Somalia, Ismail Adan Ibrahim is living a life of crime in violation of everything he was raised to believe—except for the love and loyalty driving

him to hijack ships for ransom and plot the rescue of his sister, Yasmin, from the man who murdered their father. There is nothing he will not do to save her, even if it means taking innocent lives. Paul Derrick is the FBI's top hostage negotiator. His twin sister, Megan, is a celebrated defense attorney. They have reached the summit of their careers by savvy, grit, and a secret determination to escape the memory of the day their family died. When Paul is dispatched to handle a hostage crisis at sea, he has no idea how far it will take him and Megan into the past—or the chance it will give them to redeem the future. Across continents and oceans, through storms and civil wars, the

paths of these individuals converge in a single, explosive moment. It is a moment that will test them and break them, but it will also leave behind an unexpected glimmer of hope—that out of the ashes of tragedy and misfortune, the seeds of justice and reconciliation can grow.

A Walk in the Park
Sourcebooks, Inc.

No one could have planned for this... Lara Carson left her family and boyfriend Flynn eighteen years ago without a word to anyone. Why has no one heard from her since? Does it mean anything that she's suddenly reappeared in Bath just in time for her ex-best friend Evie's wedding? And

what about Flynn? Even the most eagle-eyed observer can't tell whether he's happy to see her, or just stunned. While secrets pile up on secrets, and the gossip mill wings into high gear, the brand-new life Lara's searching for becomes ever more elusive. There's a lot of catching up for everyone to do, and Lara's return is going to be anything but a walk in the park. A Harvest of Thorns

Thomas Nelson

A beloved American corporation with an explosive secret. A disgraced former journalist looking for redemption. A corporate executive with nothing left to lose. In Dhaka, Bangladesh, a garment factory burns to the ground, claiming the lives of hundreds of workers, mostly young women. Amid the rubble, a bystander captures a heart-stopping

photograph—a teenage girl lying in the dirt, her body broken by a multi-story fall, and over her mouth a mask of fabric bearing the label of one of America’s largest retailers, Presto Omnishops Corporation. Eight thousand miles away at Presto’s headquarters in Virginia, Cameron Alexander, the company’s long-time general counsel, watches the media coverage in horror, wondering if the damage can be contained. When the photo goes viral, fanning the flames of a decades-old controversy about sweatshops, labor rights, and the ethics of globalization, he launches an investigation into the

disaster that will reach further than he could ever imagine—and threaten everything he has left in the world. A year later in Washington DC, Joshua Griswold, a disgraced former journalist from the Washington Post, receives an anonymous summons from a corporate whistleblower who offers him confidential information about Presto and the fire. For Griswold, the challenge of exposing Presto's culpability is irresistible, as is the chance, however slight, at redemption. Deploying his old journalistic skills, he builds a historic case against Presto, setting the stage for a war in the courtroom and in the media that Griswold is determined to win—both to salvage

his reputation and to provoke a revolution in Presto's boardroom that could transform the fashion industry across the globe. "This exposé of the underbelly of the international fashion industry is disturbing, moving, and thoroughly engrossing." —PHILLIP MARGOLIN, New York Times bestselling author of *Violent Crimes*

A Walk in the Woods

Anchor Canada

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14

states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

A Long Walk to Water

Based on a True

Story *Houghton Mifflin Harcourt*

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

Lillian Boxfish Takes a Walk

A Novel *Macmillan*

Fall 2016 Library Journal Editors' Pick "In my reckless and undisciplined youth," Lillian Boxfish writes, "I worked in a walnut-

paneled office thirteen floors above West Thirty-Fifth Street..." She took 1930s New York by storm, working her way up writing copy for R.H. Macy's to become the highest paid advertising woman in the country. It was a job that, she says, "in some ways saved my life, and in other ways ruined it." Now it's the last night of 1984 and Lillian, 85 years old but just as sharp and savvy as ever, is on her way to a party. It's chilly enough out for her mink coat and Manhattan is grittier now—her son keeps warning her about a subway vigilante on the prowl—but the quick-tongued poetess has never been one to scare easily. On a walk that takes her over 10 miles around the city,

she meets bartenders, bodega clerks, security guards, criminals, children, parents, and parents-to-be, while reviewing a life of excitement and adversity, passion and heartbreak, illuminating all the ways New York has changed—and has not. A love letter to city life in all its guts and grandeur, *Lillian Boxfish Takes a Walk* by Kathleen Rooney paints a portrait of a remarkable woman across the canvas of a changing America: from the Jazz Age to the onset of the AIDS epidemic; the Great Depression to the birth of hip-hop. Lillian figures she might as well take her time. For now, after all, the night is still young.

Klara and the Sun

Lulu Press, Inc

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In 'Klara and the Sun', Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

Out for a Walk

AuthorHouse

Anthony "Tony" Roddy at age 56 put talk with walk, and walked the talk. Tony is living proof of some harrowing experiences that worked out, while over in Iraq. It wasn't easier once I got back to the states. I found myself divorced after 21 years of marriage. Out for a walk is filled with empowering motivational useful advice, animated by moving stories. With "Esmeralda" my granddaughter's stroller which has been modified to carry all my supplies for the trip, we walked from Wells Beach, Maine, to Imperial Beach, California, between April 19th and December 15th, 2015. I crossed 13 states in 244 days, walking approximately 3,073

miles. The book summarizes the formula for daily peace and happiness. This book is told with style and with a little suspense from state to state. Changing negative criticism to positive thinking is my goal with one step at a time.

Hello Navi

A Novella about Human Trafficking

HELLO NAVI - a novella about human trafficking Written by a Survivor, Based on Actual Events Hello Navi is a novella about human trafficking told both in the physical and spirit realms. The story follows Navi, a young lady who faces demons of childhood sexual abuse that are driving her to drug use and leading her into a

situation that places her under the control of an abusive pimp. All the while, a mysterious man who is pursuing her takes the girl from the harsh reality of sex trafficking to a wonderful place of love and acceptance in a spiritual world where Navi learns her royal identity, experiences true love and ultimately, finds freedom. Hello Navi is a message of hope for anyone who has experienced abuse, addiction, rape, or thinks God was distant when they were in a dark place.

A Walk in the Clouds

50 Years Among the Mountains *Beaufort Books*

A Walk in the Clouds: 50 Years Among the Mountains is a

heartwarming, inspirational, and evocative collection of memories and short stories from Kev Reynolds, a prolific and celebrated guidebook author who has been roaming the mountains for a half-century. These recollections trail Reynolds' journeys through some of his favorite and most memorable lessons learned on the mountains. The people met, experiences shared, and cultures bridged throughout Reynolds' travels make for an engaging read for hikers and non-hikers alike. Shadowing Reynolds across the Moroccan Atlas, the Pyrenees trails, the European Alps, and even the Himalayas gives the reader the feeling not only of hiking the trails, but

also of forming the relationships and connections throughout the world that Reynolds was able to create. This book motivates the common reader to undertake something they have never done before because, as the reader learns from Reynolds, that is where some of the best experiences come from.

Summer Light

A Walk cross Norway

Hachette UK

Endless summer days and vast wilderness: Norway is an outdoor paradise almost too good to be true. Andrew Stevenson's affectionate luminous account reveals the magical appeal of this Scandinavian wonderland as he walks and cycles (and

gets stuck in the odd snowdrift) across the country from Oslo to Bergen. Staying at clifftop farms, climbing the country's highest mountains or taking a side trip far to the north of the Arctic circle, Andrew gets under Scandinavia's skin as only someone who has lived there and speaks the language can. As he introduces a land he loves to the new love of his life, he comes to peace with a country of light-and darkness.

Bohemian Paris

Picasso, Modigliani, Matisse, and the Birth of Modern Art *Open Road + Grove/Atlantic*

"[An] epic account of life and loves among artists and writers in Paris from belle

époque to world slump" (William Feaver, *The Spectator*). A legendary capital of the arts, Paris hosted some of the most legendary developments in world culture—particularly at the beginning of the twentieth century, with the flowering of fauvism, cubism, dadaism, and surrealism. In Bohemian Paris, Dan Franck leads us on a vivid and magical tour of the Paris of 1900–1930, a hotbed of artistic creation where we encounter Apollinaire, Modigliani, Cocteau, Matisse, Picasso, Hemingway, and Fitzgerald, working, loving, and struggling to stay afloat. Sixteen pages of black-and-white illustrations are featured. "Franck spins

lavish historical, biographical, artistic, and even scandalous details into a narrative that will captivate both serious and casual readers . . . Marvelous and informative.” —Carol J. Binkowski, *Library Journal*, starred review

Wastelands

The True Story of Farm Country on Trial *Knopf*

"Beautifully written, impeccably researched, and told with the air of suspense that few writers can handle, *Wastelands* is a story I wish I had written." —John Grisham The once idyllic coastal plain of North Carolina is home to a closely knit, rural community that, for more than a generation, has battled

the polluting practices of large-scale farming taking place in its own backyard. After years of frustration and futility, an impassioned cadre of local residents, led by a team of intrepid and dedicated lawyers, brought suit against one of the world's most powerful companies—and, miraculously, they won. As vivid and fast-paced as a novel, *Wastelands* takes us into the heart of a legal battle over the future of America's farmland, and into the lives of the people who found the courage to fight. With unparalleled entrée to the courtroom, Corban Addison captures the stirring and unforgettable struggle to bring a modern-day monopoly to its knees, to force a

once invincible corporation to change, and to preserve the rights—and restore the heritage—of a long-suffering community.

The Camino Way

Lessons in Leadership from a Walk Across Spain *AMACOM*

Business coach and former COO Victor Prince began his 500-mile trek on the Camino de Santiago as one person--driven, work-focused, and highly competitive--and he finished it a completely different one--more balanced, caring, and present in the moment. As he made his way on foot through rugged countryside and medieval towns, the life-altering journey allowed him to reflect,

test his will, and join a community of strangers on a shared mission--resulting in seven essential leadership lessons inspired by the values emblazoned on the back of every pilgrim's passport. In *The Camino Way*, Prince shares the lessons he learned while on his pilgrimage and guides readers on their own Camino de Santiago. As Prince did while on his journey, learn to:

- Treat each day as its own adventure
- Make others feel welcome
- Learn from those who've walked before
- Consider your impact on those who follow
- And more!

Each year hundreds of thousands trek across this 500-mile leadership journey like no other. Within these pages, learn the life-changing principles

they are discovering!

In the Land of Good Living

A Journey to the Heart of Florida *Vintage*

A wickedly smart, funny, and irresistibly off-kilter account of an improbable thousand-mile journey on foot into the heart of modern Florida, the state that Russell calls "America Concentrate." In the summer of 2016, Kent Russell--broke, at loose ends, hungry for adventure--set off to walk across Florida. Mythic, superficial, soaked in contradictions, maligned by cultural elites, segregated from the South, and literally vanishing into the sea, Florida (or, as he calls it: "America Concentrate") seemed

to Russell to embody America's divided soul. The journey, with two friends intent on filming the ensuing mayhem, quickly reduces the trio to filthy drifters pushing a shopping cart of camera equipment. They get waylaid by a concerned citizen bearing a rifle; buy cocaine from an ex-wrestler; visit a spiritual medium. The narrative overflows with historical detail about how modern Florida came into being after World War II, and how it came to be a petri dish for life in a suddenly, increasingly diverse new land of minority-majority cities and of unrivaled ethnic and religious variety. Russell has taken it all in with his incomparably focused lens and delivered a

book that is both an inspired travelogue and a profound rumination on the nation's soul--and his own. It is a book that is wildly vivid, encyclopedic, erudite, and ferociously irreverent--a deeply ambivalent love letter to his sprawling, brazenly varied home state.

A Walk Across the Sun

An unforgettable journey into the underworld of modern-day slavery, *A Walk Across the Sun* begins on December 26, 2004, as seventeen-year-old Ahalya Ghai and her younger sister, Sita, are walking on the beach outside their home in Chennai, India. Suddenly, the unimaginable happens: a devastating tsunami

hits the shore, tearing their family apart instantly and leaving them orphaned and alone. As they attempt to travel toward safety inland, they are kidnapped and delivered to a Mumbai brothel, to begin new lives as captive prostitutes. In Washington, DC, a young lawyer, Thomas Clarke, is forced to take a sabbatical from his prestigious law firm. He chooses to serve his time with a non-profit group working in the red-light areas of Mumbai, where his wife, Priya, has returned to live with her family following the tragic loss of their child. Little does he know that his reluctant penance will soon turn into an international quest for the woman he has lost

and a child he has never met. Though separated by half a world, the destinies of Thomas and the Ghai sisters become intertwined as Sita is trafficked to Paris and then New York. Before long, Thomas is navigating the brutal system of international human trafficking in an effort to reunite the sisters and save Sita's life. Unflinchingly gritty yet ultimately hopeful, *A Walk Across the Sun* is an eye-opening tale of family and survival.

The Sun Collective

Vintage

Once a promising actor, Tim Brettigan has gone missing. His father thinks he may have seen him among some homeless people. And though she knows he left on purpose, his mother has been

searching for him all over their home city of Minneapolis. She checks the usual places -- churches, storefronts, benches -- and stumbles upon a local community group with lofty goals and an enigmatic leader. Christina, a young woman rapidly becoming addicted to a boutique drug that gives her a feeling of blessedness, is inexplicably drawn to the same collective by a man who's convinced he may start a revolution.

I Went for a Walk

Unbound Publishing

In February 2016, Gabriel Stewart embarked on a walk around the UK with just a backpack, a camera and a tent for company. With little previous experience of

hiking or camping on his own, it was always going to be an interesting one. This isn't your typical hiking book, wittering on about the cold fierce winds battering Gabriel's determined face as he treads across a mountainside. It's an exploration of the mind of a confused, self-deprecating eighteen- to nineteen-year-old boy as he dabbles and dabbles in everything from mental health problems to the fake radio voice of Hugh Fearnley-Whittingstall. 'I will walk a thousand miles and it will be for charity - and maybe some other reason which I may or may not discover at some point in a random soggy British field.' That pretty much sums up the logic. I Went for a

Walk is the story of how it all went spectacularly wrong.

Bold Spirit

Helga Estby's Forgotten Walk Across Victorian America *Anchor*

In 1896, a Norwegian immigrant and mother of eight children named Helga Estby was behind on taxes and the mortgage when she learned that a mysterious sponsor would pay \$10,000 to a woman who walked across America. Hoping to win the wager and save her family's farm, Helga and her teenaged daughter Clara, armed with little more than a compass, red-pepper spray, a revolver, and Clara's curling iron, set out on foot from Eastern Washington. Their

route would pass through 14 states, but they were not allowed to carry more than five dollars each. As they visited Indian reservations, Western boomtowns, remote ranches and local civic leaders, they confronted snowstorms, hunger, thieves and mountain lions with equal aplomb. Their treacherous and inspirational journey to New York challenged contemporary notions of femininity and captured the public imagination. But their trip had such devastating consequences that the Estby women's achievement was blanketed in silence until, nearly a century later, Linda Lawrence Hunt encountered their extraordinary story.

Where the Mountain Meets the Moon

Little, Brown Books for Young Readers

This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who

knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl*

Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

The Rings of Saturn
New Directions Publishing

"The book is like a dream you want to last forever" (Roberta Silman, *The New York Times Book Review*), now with a gorgeous new cover by the famed designer Peter Mendelsund *The Rings of Saturn*—with its curious archive of photographs—records a walking tour of the eastern coast of England. A few of the things which cross the path and mind of its narrator (who both is and is not Sebald) are

lonely eccentrics, Sir Thomas Browne's skull, a matchstick model of the Temple of Jerusalem, recession-hit seaside towns, wooded hills, Joseph Conrad, Rembrandt's "Anatomy Lesson," the natural history of the herring, the massive bombings of WWII, the dowager Empress Tzu Hsi, and the silk industry in Norwich. W.G. Sebald's *The Emigrants* (New Directions, 1996) was hailed by Susan Sontag as an "astonishing masterpiece perfect while being unlike any book one has ever read." It was "one of the great books of the last few years," noted Michael Ondaatje, who now acclaims *The Rings of Saturn* "an even more inventive work than its predecessor, *The*

Emigrants."

A Walk Through A Window *Penguin Group*

If you had a chance to step through a window to the past, would you take it? *A Walk Through a Window* is the story of Darby, a young girl forced to spend the summer with grandparents she doesn't know in a place she feels she can never belong. But when a boy down the street extends a hand, it is more than friendship he offers. Together they discover a magical stone window frame that transports them to the very centre of the dramas of our past: the Underground Railroad; the coffin ships of the Irish Potato Famine; and even the Inuit as they crossed the

Bering Land Bridge into North America. Over the course of the long, very strange summer, Darby is forced to question part of own her life. And as tragedy threatens her family, that magical walk through a window offers Darby new insight into the people she has always taken for granted - and changes forever her perception of Canada.

A Walk in the Physical

Understanding the Human Experience Within the Larger Spiritual Context

Christian Sundberg

You existed before your human experience, and you will exist after. Drawing from his unique pre-birth memories, Christian Sundberg

provides an encouraging framework for understanding the nature of the human experience within the larger spiritual context. *A Walk in the Physical* is a non-linear reality model that boils down the very vast into succinct accessible language. More than a set of ideas though, it is a tool meant to point you towards the portion of yourself that already exists right now beyond Earth. At the heart of the book is the theme of love, and it describes why authentic love – even in small matters – is so deeply important to our human journey.

To Walk Alone in the Crowd

A Novel *Farrar, Straus and Giroux*
Winner of the 2020

Medici Prize for Foreign Novel From the award-winning author of the Man Booker Prize finalist *Like a Fading Shadow*, Antonio Muñoz Molina presents a flâneur-novel tracing the path of a nameless wanderer as he walks the length of Manhattan, and his mind. De Quincey, Baudelaire, Poe, Joyce, Benjamin, Melville, Lorca, Whitman . . . walkers and city dwellers all, collagists and chroniclers, picking the detritus of their eras off the filthy streets and assembling it into something new, shocking, and beautiful. In *To Walk Alone in the Crowd*, Antonio Muñoz Molina emulates these classic inspirations, following their peregrinations and telling their stories in a book that is part memoir, part novel, part chronicle of urban wandering. A skilled collagist himself, Muñoz Molina here assembles overheard conversations, subway ads, commercials blazing away on public screens, snatches from books hurriedly packed into bags or shoved under one's arm, mundane anxieties, and the occasional true flash of insight—struggling to announce itself amid this barrage of data—into a poem of contemporary life: an invitation to let oneself be carried along by the sheer energy of the digital metropolis. A denunciation of the harsh noise of capitalism, of the conversion of everything into either merchandise or garbage (or both), *To*

Walk Alone in the Crowd is also a celebration of the beauty and variety of our world, of the ecological and aesthetic gaze that can, even now, recycle waste into art, and provide an opportunity for rebirth.

The Walk

A Novel *Simon and Schuster*

The first book in the inspiring New York Times bestselling series about an executive who loses everything he holds dear and embarks on a walk across America that changes his life forever. What would you do if you lost everything—your job, your home, and the love of your life—all at the same time? When it happens to Seattle

ad executive Alan Christoffersen, he's tempted by his darkest thoughts. Instead, he decides to take a walk. But not any ordinary walk. Taking with him only the barest of essentials, Alan leaves behind all that he's known and heads for the farthest point on his map: Key West, Florida. The people he encounters along the way, and the lessons they share with him, will save his life—and inspire yours. A life-changing journey, both physical and spiritual, *The Walk* is the first of an unforgettable bestselling series of books about one man's search for hope.

Make Way for Ducklings *Penguin*
"Robert McCloskey's unusual and stunning pictures have long

been a delight for their fun as well as their spirit of place."—The Horn Book Mrs. Mallard was sure that the pond in the Boston Public Gardens would be a perfect place for her and her eight ducklings to live. The problem was how to get them there through the busy streets of Boston. But with a little help from the Boston police, Mrs. Mallard and Jack, Kack, Lack, Nack, Ouack, Pack, and Quack arrive safely at their new home. This brilliantly illustrated, amusingly observed tale of Mallards on the move has won the hearts of generations of readers. Awarded the Caldecott Medal for the most distinguished American picture book for children in 1941, it has since become a favorite of millions.

This classic tale of the famous Mallard ducks of Boston is available for the first time in a full-sized paperback edition. *Make Way for Ducklings* has been described as "one of the merriest picture books ever" (The New York Times). Ideal for reading aloud, this book deserves a place of honor on every child's bookshelf. "This delightful picture book captures the humor and beauty of one special duckling family. ... McClosky's illustrations are brilliant and filled with humor. The details of the ducklings, along with the popular sights of Boston, come across wonderfully. The image of the entire family proudly walking in line is a classic."—The Barnes & Noble Review "The quaint story of

the mallard family's search for the perfect place to hatch ducklings. ... For more than fifty years kids have been entertained by this warm and wonderful story."—Children's Literature

A Walk Across America *Harper Collins*

Twenty-five years ago, a disillusioned young man set out on a walk across America. This is the book he wrote about that journey -- a classic account of the reawakening of his faith in himself and his country. "I started out searching for myself and my country," Peter Jenkins writes, "and found both." In this timeless classic, Jenkins describes how disillusionment with society in the 1970s

drove him out onto the road on a walk across America. His experiences remain as sharp and telling today as they were twenty-five years ago -- from the timeless secrets of life, learned from a mountain-dwelling hermit, to the stir he caused by staying with a black family in North Carolina, to his hours of intense labor in Southern mills. Many, many miles later, he learned lessons about his country and himself that resonate to this day -- and will inspire a new generation to get out, hit the road and explore.

We Are Not from Here *Penguin*

A poignant novel of desperation, escape, and survival across the U.S.-Mexico border, inspired by current events. A Pura Belpré 2021 Young Adult Author Honor Book! A BookPage Best Book of 2020! A Chicago Public Library Best of the Best of 2020! A School Library Journal Best Book of 2020! A New York Public Library 2020 Top 10 Best Book for Teens! Pulga has his dreams. Chico has his grief. Pequeña has her pride. And these three teens have one another. But none of them have illusions about the town they've

grown up in and the dangers that surround them. Even with the love of family, threats lurk around every corner. And when those threats become all too real, the trio knows they have no choice but to run: from their country, from their families, from their beloved home. Crossing from Guatemala through Mexico, they follow the route of La Bestia, the perilous train system that might deliver them to a better life--if they are lucky enough to survive the journey. With nothing but the bags on their backs and desperation drumming through their hearts, Pulga, Chico, and Pequeña know there is no turning back, despite the unknown that awaits them. And the

darkness that seems to follow wherever they go. In this striking portrait of lives torn apart, the plight of migrants at the U.S. southern border is brought to light through poignant, vivid storytelling. An epic journey of danger, resilience, heartache, and hope. Praise for *We Are Not From Here*: "A fierce and tender story...
