Amazon.com: Visualization Analysis and Design (AK Peters ...

Tamara Munzner's Visualization Analysis and Design is the primary textbook for this class. It is required. We will read a lot of the chapters as required reading. The book just came out (it only began to ship in hardcover form in November), so its fresh and new (you aren't going to find any used copies). However, there is some good news: you don't need to buy the book!
