Eminent Outlaws The Gay Writers

"Eminent Outlaws" limits itself to gay American men and, in addition to the previous authors, has a number of fabulous diversions into other gay authors: Alan Ginsberg, Larry Kramer, and Armistead Maupin, among many others.

Eminent Outlaws: The Gay Writers Who Changed America

...

Despite copping out of writing about both gay and lesbian writers in his introduction (Although in Bram's defense, he did admit to it, and he is right: Lesbian literature needs its own historian), Eminent Outlaws is a witty, sometimes heartbreaking, sometimes whirlwind wild-ride through the lives of several key gay writers from the late 1940's to the late 90's, including characters (and I do mean characters) such as: Gore Vidal, Allen Ginsburg, Tennessee Williams, James Baldwin, Truman ...

9780446563130: Eminent Outlaws: The Gay Writers Who

...

In Eminent Outlaws, novelist Christopher Bram brilliantly chronicles the rise of gay consciousness in American writing. Beginning with a first wave of major gay literary figures- Tennessee Williams, Gore Vidal, Truman Capote, Allen Ginsberg, and James Baldwin-he shows how (despite criticism and occasional setbacks) these pioneers set the stage for new generations of gay writers to build on what they had begun: Armistead Maupin, Edmund White, Tony Kushner, and Edward Albee among them.

Eminent Outlaws: The Gay Writers Who Changed America

...

Perhaps the best place to start in assessing Christopher Bram's new work, Eminent Outlaws: The Gay Writers Who Changed America is at it's conclusion, in which our author, in looking back over the work of the gay men included in the pages of his book, states: "These men continue to speak to us through their poems, plays, novels, and lives.

Eminent Outlaws: The Gay Writers Who Changed America

Deftly written and refreshingly nonacademic, Eminent Outlaws spans fifty years of gay fiction, drama, and poetry from Gore Vidal, Truman Capote, Allen Ginsberg, and James Baldwin to

Edmund White, Michael Cunningham, Thom Gunn, and Tony Kushner. Something unusual occurred in American fiction around 1948: the love that dared not speak its name found its voice—soft at the beginning but growing increasingly louder.

Eminent Outlaws - Posts | Facebook

"Eminent Outlaws is a spectacular overview of our gay literary history."—Instinct Magazine "Bram does a terrific job in cataloguing the lives of these important figures, from Vidal to James Baldwin to Michael Cunningham. He reveals their often tortured interior lives. His examinations of the works themselves are original and thoughtful.

Eminent Outlaws: The Gay Writers Who Changed America ...

From the 12th annual National Book Festival on the National Mall in Washington, DC, Christopher Bram presents his book, [Eminent Outlaws: The Gay Writers Who Changed America].

[Eminent Outlaws] | C-SPAN.org

Edward Albee brought his prickly iconoclasm to the American theater. Edmund White laid bare his own life in stylized,

autobiographical works. Armistead Maupin wove a rich tapestry

of the counterculture, queer and straight. Mart Crowley brought gay men's lives out of the closet and onto the stage.
