I Live a Life Like Yours

A Memoir FSG Originals

"A quietly brilliant book that warms slowly in the hands." —Dwight Garner, *The New York Times* I am not talking about surviving. I am not talking about becoming human, but about how I came to realize that I had always already been human. I am writing about all that I wanted to have, and how I got it. I am writing about what it cost, and how I was able to afford it. Jan Grue was diagnosed with spinal muscular atrophy at the age of three. Shifting between specific periods of his life—his youth with his parents and sister in Norway; his years of study in Berkeley, St. Petersburg, and Amsterdam; and his current life as a professor, husband, and father—he intersperses these histories with elegant, astonishingly wise reflections on the world, social structures, disability, loss, relationships, and the body: in short, on what it means to be human. Along the way, Grue moves effortlessly between his own story and those of others, incorporating reflections on philosophy, film, art, and the work of writers from Joan Didion to Michael Foucault. He revives the cold, clinical language of his childhood, drawing from a stack of medical records that first forced the boy who thought of himself as “just Jan” to perceive that his body, and therefore his self, was defined by its defects. *I Live a Life Like Yours* is a love story. It is rich with loss, sorrow, and joy, and with the details of one life: a girlfriend pushing Grue through the airport and forgetting him next to the baggage claim; schoolmates forming a chain behind his wheelchair on the ice one winter day; his parents writing desperate letters in search of proper treatment for their son; his own young son climbing into his lap as he sits in his wheelchair, only to leap down and run away too quickly to catch. It is a story about accepting one’s own body and limitations, and learning to love life as it is while remaining open to hope and discovery.

Live Like a Vulcan, Love Like a Wookiee, Laugh Like a Hobbit

Life Lessons from Pop Culture *BenBella Books*

Much like a dragon-guarded mountain filled with stolen dwarf gold, Pop Culture is far more than just a side quest or afternoon’s entertainment: it contains a veritable treasure trove overflowing with life lessons. If there’s one takeaway from more than 40 years of Scooby-Doo mysteries, it’s that the vast majority of life’s villains are old white men using literal scare tactics to hold on to whatever privilege they have; Stranger Things taught us that any group of bike-riding kids are either running from or toward a vast governmental conspiracy; The Wizard of Oz proved that fashion can only take you so far; The Lord of the Rings showed us not only about the power of statement jewelry but that gifts come with strings attached; and Jaws was evidence that no matter how prepared you think you are, you should always expect the unexpected. This modern-day fable takes the best elements of My Dinner With Andre, The Big Bang Theory, and How to Make Friends and Influence People, to tell the story of three cosplaying friends sharing what they have learned from their favorite (and hated) movies, series, and games in a cafe after a day of walking the halls of a convention center. Live Like a Vulcan, Love Like a Wookiee, Laugh Like a Hobbit invites readers to a never-before-seen and slightly skewed look at the most memorable moments in films, shows, books, comic books, graphic novels, and video games. By the end of this pop-culture tour, fans of all ages will be given more inside knowledge than could ever be gotten at a comic convention, more self-help tools than can fit into any utility belt, more treasures than can be found in a cave of wonders, and more smiles than can be seen on any joker’s face.

Think Like a Monk

Train Your Mind for Peace and Purpose Every Day *Simon & Schuster*

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity - How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts - How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

A frighteningly prescient novel of today’s America—one man’s story of a racially charged real estate experiment in Detroit, Michigan. “You get in the habit of living a certain kind of life, you keep going in a certain direction, but most of the pressure on you is just momentum. As soon as you stop the momentum goes away. It’s easier than people think to walk out on things, I mean things like cities, leases, relationships and jobs.” Greg Marnier, Marny to his friends, leaves a job he doesn’t much like and moves to Detroit, Michigan in 2009, where an old friend has a big idea about real estate and the revitalization of a once great American city. Once there, he gets involved in a fist-fight between two of his friends, a racially charged trial, an act of vigilante justice, a love affair with a local high school teacher, and a game of three-on-three basketball with the President—not to mention the money-soaked real estate project itself, cut out of 600 acres of emaciated Detroit. Marny’s billionaire buddy from Yale, Robert James, calls his project “the Groupon model for gentrification,” others call it “New Jamestown,” and Marny calls it home— until Robert James asks him to leave. This is the story of what went wrong. You Don’t Have to Live Like This is the breakout novel from the “fabulously real” (Guardian) voice of the only American included in Granta’s Best of Young British Novelists. Using the framework of our present reality, Benjamin Markovits blurs the line between the fictional and the fact-based, and captures an invisible current threaded throughout American politics, economics, and society that is waiting to explode.

Bella Figura

How to Live, Love, and Eat the Italian Way *Vintage*

“My ideal type of armchair travel: immersive, insightful, seductive. In Bella Figura, Kamin Mohammadi takes us to the year in Florence that changed her life, and gives us the tools to bring the grace of the Italian lifestyle to our own lives.” —National Bestselling Author Stephanie Danler “She walks down the street with a swing in her step and a lift to her head. She radiates allure as if followed by a personal spotlight. She may be tall or short, slim or pneumatically curvaceous, dressed discreetly or ostentatiously—it matters not. Her gait, her composure, the very tilt of her head is an ode to grace and self-possession that makes her beautiful whatever her actual features reveal.” This is the bella figura, the Italian concept of making every aspect of life as beautiful as it can be, that Kamin Mohammadi discovered when she escaped the London corporate media world for a year in Italy. Following the lead of her new neighbors, she soon found a happier, healthier, and more beautiful way of living. The bella figura knows: • That the food that you eat should give you pleasure while eating it. Pause for meals, and set a place, even if you are eating alone. • To seize any opportunity to get moving—be it taking the stairs, doing a coffee run at work, or dancing with abandon. • To drink a spoonful of excellent-quality extra-virgin olive oil four times a day. • To seek out nature, be it a city park, a tree on your street, or some wild place. • And to love yourself. The bella figura—occupies her space, emotionally and physically, with style and entitlement.

To Live Like a Moor

Live Like You Mean It *Hachette UK*

This energetic and engaging call to live life to the full offers you the chance to rethink what matters to you and why, and to do something about it. Too often we drift through life, going with the flow or being tossed by currents beyond our control, and failing to realise that if we would only fight for the

life God meant us for life would be so much more fulfilling. Eric Delve, the well-known evangelist and organiser of the Detling Festival, here sets out a strong argument for intentional living, the need to engage positively with the choices that face us and the rewards it will bring if we do so. Along the way he challenges us to face up to who we really are, jettisoning pretence or fantasy, and to accept our humanity in its weakness and its high potential. Then he urges us to understand what God's purpose is for us and to let him guide us into the full life he wants for us - including standing firm through difficult times. Finally he issues a challenge to us all, to escape from the modern curse of individualism and accept the need - and wonderful opportunity - to pass on all we've learnt in life to colleagues, friends and families - because they're worth it, too.

Great Leaders Live Like Drug Addicts

How to Lead Like Your Life Depends on It *Simon and Schuster*

What if you learned that to lead well, you’d need to live like a drug addict? During treatment for drug addiction, Michael Brody-Waite learned three principles that became the difference between life and death: Practice rigorous authenticity Surrender the outcome Do uncomfortable work Leaving rehab, Michael entered the workplace where he was shocked to see most business leaders doing what he had been taught would kill him. He began to see striking similarities between drug addiction and what he calls “mask addiction.” Leaders everywhere were hiding their authentic selves in order to get what they wanted. They were doing things like: Saying yes when they could say no Hiding their weaknesses Avoiding difficult conversations Holding back their unique perspectives Instead of chasing drugs, leaders were chasing professional, financial, and social success from behind a mask—to the detriment of themselves and the people around them. Thanks to his recovery, Michael’s three principles gave him an unlikely competitive advantage throughout his career, resulting in a level of success unexpected for a “drug addict.” In Great Leaders Live Like Drug Addicts, Michael explains what drug addicts do to recover and provides a step-by-step program you can use to break free from your mask addiction to thrive in both work and life. He equips you with the tools you need to live and lead mask-free—tools to enable you to stop following others, lead yourself, and become one of the dynamic, growing, authentic leaders this world desperately needs.

A Way of Life, Like Any Other

A Novel *Open Road Media*

This PEN/Hemingway Award winner about coming of age in Los Angeles is a “little gem of a novel . . . a masterwork of Hollywood fiction” (Salon). He’s a child of 1940s Hollywood—specifically, Casa Fiesta, a ranch in the Malibu hills that he shares with his mother, a onetime Broadway headliner, and his father, a star of Westerns. But when his parents fall out of favor in Tinseltown, the narrator of this exquisitely crafted dark comedy loses his youthful idyll and accompanies his lovesick mother on a vodka-soaked international quest for romance and redemption. Meanwhile, his father lives in “diminished circumstances” in California, clinging to his silver-screen mementos, trusting that, someday soon, his ex-wife and his career will return. Tired of tending bar at his mother’s parties and listening to his father’s sad tales of former glory, the boy moves in with his best friend’s family in Beverly Hills. But nothing in La-La Land is quite what it seems, and when his new home turns out to be just as dysfunctional as the last, our teenage hero must somehow learn to accept his parents while finding the courage to break free and become his own man. This award-winning novel, “a kind of Catcher in the Rye for the Cheap Trick generation” (GQ), was cited by the Guardian as one of the “ten best neglected literary masterpieces.” Written by a New York Times–bestselling author who was a child of Hollywood movie stars himself, it has been praised for its “spectacularly deadpan humor” by the Atlantic Monthly and called “an insightful coming-of-age tale” by the Austin Chronicle.
