The most sneaky or f&\$#ed up way that men self-sabotage relationships is by quitting before it ever has a chance to evolve. A lot of men will be afraid of putting in the work it takes to make a relationship last and therefore they will quit at the first sign of challenges. 10. High expectations

Why Men Self-Sabotage Relationships and How They Do It

For some men, the idea of couples or marriage counselling is a daunting concept. You know that you have been arguing a lot more recently and neither of you is happy, but is couples counselling the answer? In this article, we address some of the common misconceptions people have about seeking counselling for relationship problems. More

Relationships | MensLine Australia

Men give more when beginning a relationship, but after some time men give up eventually and stop trying. For women it is the opposite, in the beginning, they are more reserved, but as soon as you guys are together that's when she starts being more giving and always puts 110% in the relationship.

Do men give more then women in a relationship? - GirlsAskGuys

In terms of May-December romances, there's been a longtime double standard when it comes to which half of the couple is "December": Women who date younger men encounter fascinated curiosity, judgment, and even a loaded nickname that rose to prominence in the early 2000's, while men in relationships with younger women are simply known as...men in relationships.
