All The Things We Never

All the Things We Never Knew takes readers on a breathtaking journey, from David and Sheila's early romance through the last three months of their life together and into the year after his death. It details their unsettling spiral from ordinary life into the world of mental illness, examines the fragile line between reality and madness, and reveals the true power of love and forgiveness.

All The Things We Never Knew is a solid

read filled with love, heartbreak, betrayal, grief and secrets. I enjoyed all of these things because it just shows how much of an emotional beating that teenagers face in their lives. I wish that I could quote this book, but sadly this is an ARC. I have sticky tabs on just about every page.

"The stories in Michael Kelly's All the Things We Never See balance on the delicate knife edge of the weird, taking place at the moment of incision, just before the blood rushes to the cut. Full of quiet menace and strangeness, with characters bound into odd relationships both to the world and themselves, relationships they themselves often fail to understand, this is weird fiction at its finest."

All The Things We Never Said tells the story of three girls; Mehreen, Olivia and Cara as they struggle to cope with what life has thrown at them, forming a pact to commit suicide after meeting in an online forum. After forming a strong bond, and realising they have so much to live for, the girls decide they want out of the pact.

All The Things We Never Said by

Yasmin Rahman

"All the Things We Never Knew is an honest, compelling read that chronicles Sheila Hamilton's personal story of what it's like to live with and love a spouse with mental health challenges. Written well, accurately describing the depression and mania of what later becomes a bipolar diagnosis, she captures the struggle of piecing together biological, psychological, and environmental factors that ultimately lead to a hard but hopeful ending.
