The Sign of the Beaver

Left alone to guard the family's wilderness home in eighteenth-century Maine, a boy is hard-pressed to survive until local Indians teach him their skills.

The Sign of the Beaver *HarperCollins*

Although he faces responsibility bravely, thirteen-year-old Matt is more than a little apprehensive when his father leaves him alone to guard their new cabin in the wilderness. When a renegade white stranger steals his gun, Matt realizes he has no way to shoot game or to protect himself. When Matt meets Attean, a boy in the Beaver clan, he

begins to better understand their way of life and their growing problem in adapting to the white man and the changing frontier. Elizabeth George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Now with an introduction by Joseph Bruchac.

Calico Captive *Houghton Mifflin Harcourt*

From a Newbery Medal-winning author, an "exciting novel" about a colonial girl's experience during the French and Indian War (Saturday Review). In the year 1754, the stillness of

Charlestown, New Hampshire, is shattered by the terrifying cries of an Indian raid. Young Miriam Willard, on a day that had promised new happiness, finds herself instead a captive on a forest trail, caught up in the ebb and flow of the French and Indian War. It is a harrowing march north. Miriam can only force herself to the next stopping place, the next small portion of food, the next icy stream to be crossed. At the end of the trail waits a life of hard work and, perhaps, even a life of slavery. Mingled with her thoughts of Phineas Whitney, her sweetheart on his way to Harvard, is the crying of her sister's baby, Captive, born on the trail. Miriam and

her companions finally reach Montreal, a city of shifting loyalties filled with the intrigue of war, and here, by a sudden twist of fortune, Miriam meets the prominent Du Quesne family, who introduce her to a life she has never imagined. Based on an actual narrative diary published in 1807, *Calico Captive* skillfully reenacts an absorbing facet of history. "Vital and vivid, this short novel based on the actual captivity of a pre-Revolutionary girl of Charlestown, New Hampshire, presents American history with force and verve." —Kirkus Reviews

A Literature Kit. A story of wilderness survival in 18th Century Maine about a young boy who is caught between two worlds. Shortly after Matt and his father finish building a cabin on their new settlement, Matt finds himself alone in the Maine wilderness with his nearest neighbor several miles away. With his father returning to civilization to get their family, Matt's adventures begin. Matt is stung nearly to death by a swarm of bees, but manages to survive with the help of two local Natives, Attean and his grandfather, Saknis. As the summer progresses, the two boys have a number of adventures together, including killing an angry bear. In autumn,

Matt is rejoined with his parents just after the snow flies.

Bright Island *Random House Books for Young Readers*

Mabel Robinson's delightful coming-of-age story won a Newbery Honor in 1938 and garnered extraordinary praise from critics and readers alike. Born and raised on Bright Island off the Maine coast, Thankful Curtis is more like her sea captain grandfather than any of her older brothers are. Nothing suits her better than sailing and helping her father with the farm. But when her dreaded sisters-in-law

suggest that Thankful get some proper schooling on the mainland, the wind is knocked from her sails. Thankful finds the uncharted waters of school difficult to navigate: there's a rocky reception from her rich roommate, Selina; the breezy behavior of the charming Robert; and stormy Mr. Fletcher, the handsome Latin teacher whose caustic tongue masks a tender heart. And while Thankful works hard to make the best of her new life, Bright Island continues to flash in her thoughts, like the sparkle of the sun on the water. The New York Times raved, "One would be hard put to it to find a better contemporary novel than this," and now this evocative tale can

be welcomed by a new generation of readers.

Touching Spirit Bear

Harper Collins

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative

program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people

make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

"I dance. Naked. For large (and occasionally insultingly modest) sums of money." It all started five years ago in Sydney, Australia when she was just 23: "I still wanted to be a traveler, just not a poor one anymore. So I shaved my legs and bush, showed up to the

first Google search result that came up for 'gentlemen's club Sydney, 'got naked for this old fat guy named Jim and, to my surprise, I liked it. A lot." Stripping is about feeling powerful, sexy, and endlessly curious about how far a dude's kinks will go ('show me your armpits') and how much he is willing to pay for them (\$1200). And the money's sexy.

The Bravest Man in the World *Simon & Schuster/Paula Wiseman Books*

From master storyteller Patricia Polacco comes the tragic and beautiful story inspired by Wallace Hartley—the musician who played with his band to calm the passengers of the Titanic as the ship sank. One afternoon, Jonathan Harker Weeks

didn't feel like practicing the piano. So his grandfather decided to tell him a story to show how much of an impact music can have. When he was a child growing up poor in Ireland, his mother made sure he learned to play the fiddle, despite their challenges. After his mother passed away and he was on his own, Jonathan's grandfather fell asleep hiding in a mail sack and was taken to a ship. When he woke up, he realized he was on the Titanic on its maiden voyage, and it was there that he met Wallace Hartley and Mrs. Weeks, a kind man and woman who took him in. Then one night, the majestic ship hit an iceberg. He and Mrs. Weeks were put on a lifeboat—and Mr.

Hartley and his band bravely continued to play to calm the crew and passengers. The story of Wallace Hartley is true and he is known throughout the world as a hero. The New York Times bestselling author and illustrator of *The Keeping Quilt* Patricia Polacco offers this stunning and heartbreaking picture book to celebrate the memory and bravery of a single man who used the power of music to comfort thousands of people during a catastrophic situation.
