Life Before Us

Romain Gary

A Tall Story *Random House*

Airman, war hero, immigrant, law student, diplomat, novelist and celebrity spouse, Romain Gary had several lives thrust upon him by the history of the twentieth century, but he also aspired to lead many more. He wrote more than two dozen books and a score of short stories under several different names in two languages, English and French, neither of which was his mother tongue. Gary had a gift for narrative that endeared him to ordinary readers, but won him little respect among critics far more intellectual than he could ever be. His varied and entertaining writing career tells a different story about the making of modern literary culture from the one we are accustomed to hearing. Born Roman Kacew in Vilna (now Lithuania) in 1914 and raised by only his mother after his father left them, Gary rose to become French Consul General in Los Angeles and the only man ever to win the Goncourt Prize twice. This biography follows the many threads that lead from Gary's wartime adventures and early literary career to his years in Hollywood and his marriage to the actress Jean Seberg. It illuminates his works in all their incarnations, and culminates in the tale of his most brilliant deception: the fabrication of a complex identity for his most successful nom de plume, Émile Ajar. In his new portrait of Gary, David Bellos brings biographical research together with literary and cultural analysis to make sense of the many lives of Romain Gary - a hero fit for our times, as well as his own.

La Vie devant soi de Romain Gary (Analyse approfondie)

Approfondissez votre lecture des romans classiques et modernes avec Profil-Litteraire.fr *Profil littéraire*

Œuvre emblématique de Romain Gary qui s'est longtemps caché derrière le mystérieux Émile Ajar, *La Vie devant soi* raconte l'histoire de Momo, un jeune garçon musulman, qui s'est choisi comme mère adoptive Madame Rosa, une vieille dame juive. À travers les mots de ce jeune garçon, l'on découvre leur quotidien dans cet immeuble où Madame Rosa s'occupe des enfants des prostituées. Mais aussi et surtout la tendresse entre une vieille dame qui se meurt et un jeune garçon qui a la vie devant lui... Avant de résumer l'histoire de Momo et de Madame Rosa, Karolin Brohee nous raconte la vie de Romain Gary. Car, sans elle, il est difficile de comprendre toute la profondeur de l'œuvre de cet artiste insaisissable. C'est que Romain Gary déteste par-dessus tout être catalogué dans des cases bien souvent trop étroites pour son génie. Lui qui se plaît à se réinventer à chaque instant. C'est à l'aune de cette personnalité multiple qu'il faut lire *La Vie devant soi* et qu'il faut décrypter ses personnages ô combien attachants. Car derrière Momo, c'est bien Roman Kacew qui se cache, et derrière Madame Rosa, Romain Gary l'adulte. À travers des thématiques aussi fortes que la recherche identitaire et la solitude, l'on sent toutes les angoisses de l'auteur, celles qui le hantent depuis l'enfance.

La vie devant soi

La vie devant soi

La première chose que je peux vous dire c'est qu'on habitait au sixième à pied et que pour Madame Rosa, avec tous ces kilos

qu'elle portait sur elle et seulement deux jambes, c'était une vraie source de vie quotidienne, avec tous les soucis et les peines. Elle nous le rappelait chaque fois qu'elle ne se plaignait pas d'autre part, car elle était également juive. Sa santé n'était pas bonne non plus et je peux vous dire aussi dès le début que c'était une femme qui aurait mérité un ascenseur.

La vie devant soi

roman

Novel Into Film

A Comparison of La Vie Devant Soi and Madame Rosa

La vie devant soi

Depuis 1975, date de la parution de *La Vie devant soi*, la profonde humanité et la truculence de Madame Rosa et de Momo ne cessent d'émouvoir les lecteurs. Lisez ce roman. Vous y découvrirez des personnages hauts en couleur et profondément humains, la belle histoire d'un jeune garçon arabe et d'une vieille dame juive, une écriture d'une grande inventivité et le dernier mot de Momo: « il faut aimer ».

Hocus Bogus

"Hocus Bogus first published in French as Pseudo by Mercure de France. Mercure de France, 1976. This translation David Bellos, 2010. Published by arrangement with the Estate of Romain Gary."--T.p. verso.

La vie devant soi

roman

The Wilder Shores of Love *Simon and Schuster*

Originally published in 1954, *The Wilder Shores of Love* is the classic biography of four nineteenth-century European women who leave behind the industrialized west for Arabia in search of romance and fulfillment. Hailed by *The Daily Telegraph* as "enthraling to read," Lesley Blanch's first book tells the story of Isabel Burton, the wife and traveling companion of the explorer Richard Burton; Jane Digby, who exchanged European society for an adventure in loving; Aimée Dubucq de Rivery, a Frenchwoman captured by pirates who became a member of the Turkish sultan's harem; and Isabelle Eberhardt, a Swiss woman who dressed as a man and lived among the Arabs of Algeria.

White Dog *University of Chicago Press*

Both a personal memoir and a French novelist's encounter with American reality, *White Dog* is an unforgettable portrait of racism and hypocrisy. Set in the tumultuous Los Angeles of 1968, Romain Gary's story begins when a German shepherd strays into his life: "He was watching me, his head cocked to one side, with that unbearable intensity of dogs in the pound waiting for a rescuer." A lost police canine, this "white dog" is programmed to respond violently to the sight of a black man and Gary's attempts to deprogram it—like his attempts to protect his wife, the actress Jean Seberg; like her endeavors to help black activists; like his need to rescue himself from the "predicament of being trapped, lock, stock and barrel within a human skin"—lead from crisis to grief. Using the re-education of this adopted pet as a metaphor for the need to quash American racism, Gary develops a domestic crisis into a full-scale social allegory.

Your Ticket is No Longer Valid *George Braziller*

Fifty-nine-year-old Jacques Rainier, international tycoon and former Resistance leader, finds himself in love with a beautiful young Brazilian woman at a time when his virility is waning and the European economic recession threatens his financial empire

My Parents *Serpents Tail*

A blend of autobiography and fiction by the French journalist and novelist offers a portrait of family life, from early scandals to the author's extended dependence on his parents to his admitted homosexuality and the emotional trauma of his mother's mast

La Vie Devant Soi

Texte Integral du Roman

The Lightkeepers

A Novel *Catapult*

Winner of the 2016 B&N Discover Great New Writers Award for Fiction In *The Lightkeepers*, we follow Miranda, a nature photographer who travels to the Farallon Islands, an exotic and dangerous archipelago off the coast of California, for a one-year residency capturing the landscape. Her only companions are the scientists studying there, odd and quirky refugees from the mainland living in rustic conditions; they document the fish populations around the island, the bold trio of sharks called the Sisters that hunt the surrounding waters, and the overwhelming bird population who, at times, create the need to wear hard hats as protection from their attacks. Shortly after her arrival, Miranda is assaulted by one of the inhabitants of the islands. A few days later, her assailant is found dead, perhaps the result of an accident. As the novel unfolds, Miranda gives witness to the natural wonders of this special place as she grapples with what has happened to her and deepens her connection (and her suspicions) to her companions, while falling under the thrall of the legends of the place nicknamed "the Islands of the Dead." And when more violence occurs, each member of this strange community falls under suspicion.

Étude sur "La vie devant soi", Émile Ajar

Beside the Syrian Sea *Bitter Lemon Press*

Jonas works for the UK secret service as an intelligence analyst. When his father is kidnapped and held for ransom by ISIS gunmen in Syria, he takes matters into his own hands and begins to steal the only currency he has access to: secret government intelligence. He heads to Beirut with a haul of the most sensitive documents imaginable and recruits an unlikely ally – an alcoholic Swiss priest named Father Tobias. Despite barely surviving his previous contact with ISIS, Tobias agrees to travel into the heart of the Islamic State and inform the kidnappers that Jonas is willing to negotiate for his father's life. When the British and American governments realise they may be dealing with betrayal on a scale far greater than that of Edward Snowden, they try everything in their power to stop Jonas, and he finds himself tested to the limit as he fights to keep the negotiations alive and play his enemies off against each other. As the book races towards a thrilling confrontation in the Syrian desert, Jonas will have to decide how far he is willing to go to see his father again.

The Last Samurai *New Directions Publishing*

Called "remarkable" (*The Wall Street Journal*) and "an ambitious, colossal debut novel" (*Publishers Weekly*), Helen DeWitt's *The Last Samurai* is back in print at last Helen DeWitt's 2000 debut, *The Last Samurai*, was "destined to become a cult classic"

(Miramax). The enterprising publisher sold the rights in twenty countries, so "Why not just, 'destined to become a classic?'" (Garth Risk Hallberg) And why must cultists tell the uninitiated it has nothing to do with Tom Cruise? Sibylla, an American-at-Oxford turned loose on London, finds herself trapped as a single mother after a misguided one-night stand. High-minded principles of child-rearing work disastrously well. J. S. Mill (taught Greek at three) and Yo Yo Ma (Bach at two) claimed the methods would work with any child; when these succeed with the boy Ludo, he causes havoc at school and is home again in a month. (Is he a prodigy, a genius? Readers looking over Ludo's shoulder find themselves easily reading Greek and more.) Lacking male role models for a fatherless boy, Sibylla turns to endless replays of Kurosawa's masterpiece *Seven Samurai*. But Ludo is obsessed with the one thing he wants and doesn't know: his father's name. At eleven, inspired by his own take on the classic film, he sets out on a secret quest for the father he never knew. He'll be punched, sliced, and threatened with retribution. He may not live to see twelve. Or he may find a real samurai and save a mother who thinks boredom a fate worse than death.

The Kites *New Directions Publishing*

Romain Gary's bittersweet final masterpiece is "epic and empathetic" (BBC) and "one of his best" (*The New York Times*) *The Kites* begins with a young boy, Ludo, coming of age on a small farm in Normandy under the care of his eccentric kite-making Uncle Ambrose. Ludo's life changes the day he meets Lila, a girl from the aristocratic Polish family that owns the estate next door. In a single glance, Ludo falls in love forever; Lila, on the other hand, disappears back into the woods. And so begins Ludo's adventure of longing, passion, and love for the elusive Lila, who begins to reciprocate his feelings just as Europe descends into World War II. After Germany invades Poland, Lila and her family go missing, and Ludo's devotion to saving her from the Nazis becomes a journey to save his love, his loved ones, his country, and ultimately himself. Filled with unforgettable characters who fling all they have into the fight to keep their hopes—and themselves—alive, *The Kites* is Romain Gary's poetic call for resistance in whatever form it takes. A war hero himself, Gary embraced and fought for humanity in all its nuanced complexities, in the belief that a hero might be anyone who has the courage to love and hope.

La vie devant soi

Genealogies of the Text

Literature, Psychoanalysis, and Politics in Modern France *Cambridge University Press*

A provocative meditation on literature, ethics, and the experience of the French in World War II.

King Solomon *Harvill Press*

Promise at Dawn

A Memoir *New Directions*

The author recounts the special relationship he had with his mother and explains how he worked to achieve the many goals and accomplishments she expected of him

Simone Signoret

The Star as Cultural Sign *A&C Black*

In what may be the most in-depth study yet published of a film star's body of work, Susan Hayward charts the career of Simone Signoret, one of the great French actresses of the 20th Century. Signoret— who won an Oscar in 1960 for her performance in *Room at the Top*— was a key figure in French cinema for 40 years. But it is not so much her longevity that impresses, as it is the quality of work she produced as her career progressed. She started out as a stunningly beautiful woman, winning major international awards five times for her roles, and yet was only moderately in demand during those years. From the 1960s onwards, when her looks began to decline significantly, Signoret was in greater demand, and produced most of her output. She insisted on playing roles consonant with her real age, and often chose to play roles that portrayed her as even more ugly than she had become. *Simone Signoret: The Star as Cultural Sign* is a remarkable achievement, a labor of love from one of the world's leading scholars of French cinema.

The Interview

Fantagraphics Books

This graphic novel is set in Italy in 2048. Raniero is a fifty-something psychologist whose marriage is failing. In the sky, strange bright triangles appear, bearing mysterious messages from an extraterrestrial civilization. Dora, his young patient, is part of the "New" Convention, a movement of young people preaching free love and alternative models to coupling and family. She declares that her telepathic abilities can parse the signal — a warning of some kind. Initially skeptical, Raniero's curiosity and attraction grows. *The Interview* is a science fiction novel that eschews the stars in favor of the delicate, fragile, interior world of human emotion.

Romain Gary

The Man Who Sold His Shadow *University of Pennsylvania*

Press

In this book Ralph Schoolcraft explores the extraordinary career of the modern French author, film director, and diplomat—a romantic and tragic figure whose fictions extended well beyond his books. Born Roman Kacew, he overcame an impoverished boyhood to become a French Resistance hero and win the coveted Goncourt Prize under the pseudonym—and largely invented persona—Romain Gary. Although he published such acclaimed works as *The Roots of Heaven* and *Promise at Dawn*, the Gaullist traditions that he defended in the world of French letters fell from favor, and his critical fortunes suffered at the hands of a hostile press. Schoolcraft details Gary's frustrated struggle to evolve as a writer in the eye of a public that now considered him a known quantity. Identifying the daring strategies used by this mysterious character as he undertook an elaborate scheme to reach a new readership, Schoolcraft offers new insight into the dynamics of authorship and fame within the French literary institutions. In the early 1970s Gary made his departure from the conservative literary establishment, publishing works that boasted a quirky, elliptical style under a variety of pseudonymous personae, the most successful of which was that of an Algerian immigrant by the name of Emile Ajar. Moving behind the mask of his new creation, Gary was able to win critical and popular acclaim and a second Goncourt in 1975. But as Schoolcraft suggests, Gary may have "sold his shadow"—that is, lost his authorial persona—by marketing himself too effectively. Going so far as to recruit a cousin to stand in as the public face of this phantom author, Gary kept the secret of his true authorship until his violent death in 1980 from a self-inflicted gunshot wound. The press reacted with resentment over the scheme, and he was shunned into the ranks of literary oddities. Schoolcraft draws from archives of the several thousand documents related to Gary housed at the French publishing firms of Gallimard and Mercure de France, as well as the Butler Library at Columbia University. Exploring the depths of a story that has long remained shrouded in mystery, *Romain Gary: The Man Who Sold His Shadow* is as much a fascinating biographical sketch as it is a thought-provoking reflection on the assumptions made about identities in the public sphere.
