Andrew Matthews says that when you feel that life is against you, it is. On the other hand, when you feel happy and lucky, events will rearrange themselves to prove you right. Your feelings create your reality, and not the other way around. The idea is therefore to change your feeling to change what happens to you.

How life works - Andrew Matthwes

But of course it would happen at this time, since things in life happen exactly when they are supposed to happen. Of course, sometimes we can speed things up a little bit, but in general things are going to play out pretty close to when the Universe, and our way of thinking decides it should happen.
