Napoleon Hill's *Outwitting the Devil: The Secret to Freedom and Success* Secrets from the Vault, Written in 1938, Revealed Today An Official Publication of The Napoleon Hill Foundation "Napoleon Hill was one of America's great, influential thinkers who continues to have an enormous impact today." --Steve Forbes, editor-in-chief of Forbes magazine Bestselling author Napoleon Hill reveals the seven principles of good that allow us to triumph over obstacles . . . and find success. Using his legendary ability to get to the

root of human potential, Napoleon Hill digs deep to reveal how fear, procrastination, anger, and jealousy prevent us from realizing our personal goals. This long-suppressed parable, once considered too controversial to publish, was written by Hill in 1938 following the publication of his classic bestseller, *Think and Grow Rich*. Annotated and edited for a contemporary audience by Rich Dad, Poor Dad and Three Feet from Gold coauthor Sharon Lechter, this book--now available in paper--is profound, powerful, resonant, and rich with insight.

Following the success of his 1937 landmark bestseller, *Think and Grow Rich*, Napoleon Hill wrote *Outwitting the Devil*, an exposé on the methods the Devil uses to ensare and control the minds of human beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The

resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. Now it is your turn to break the Devil's code and free yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill's original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their

dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, "bring harmony out of chaos in this age of frustration and fear." If you have been the victim of lost courage, weakened enthusiasm, and lack of self-discipline--if you are demoralized and plagued by fear, anxiety, overwhelm, or apathy--the seven principles to freedom detailed in this book herald your redemption. You will

finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all.

The Law of Success

Napoleon Hill's Writings on Personal Achievement, Wealth and Lasting Success *Sound Wisdom*

Napoleon Hill's Original Master Class on Individual Achievement Before the landmark book *Think and Grow Rich* came *The Law of Success*, an eight-volume series in which Hill presents the complete Science of Success philosophy. Originally published in 1928, this success system contains sixteen lessons on personal achievement, gleaned from interviews with and research on over 500 top performers from

various industries and walks of life. Now condensed for your convenience into one compact volume curated by the Trustees of the Napoleon Hill Foundation, *The Law of Success* details the exact steps by which any individual can harness the power of thought to turn their dreams into reality. This is much more than a guide or roadmap; it is a total lifestyle makeover, with concrete resources for everyday application. If you are serious about becoming the best version of yourself in your field, your relationships, your health, and your finances, then you are ready for the original master class on success. ~ A message from the executive

director and CEO of the Napoleon Hill Foundation ~ There have been many requests over the years for a version that is more concise and compact yet contains the core lessons discovered and set forth in the discussion of the sixteen success principles. The Trustees of the Napoleon Hill Foundation heard these requests and took on the task of producing such a book, containing what they viewed as the essential lessons and most important portions of the original work, and what you are about to read is the result. This version has dispensed with the third party quotations and “After the Lesson” essays in the original work, deleted some stories

that were repeated in other of Hill’s books published after 1928, and eliminated repetition (rightly valued by Mr. Hill as a learning method but not appropriate for a compact volume.) The Trustees believe, and hope you will agree, that the resulting volume contains all the essential wisdom of this groundbreaking work, Law of Success. I have been the Executive Director of the Napoleon Hill Foundation since 2000, and I and the other Trustees who contributed to this work have nearly 200 years combined years of service to the Foundation. I believe they are singularly equipped to produce the best distillation of Napoleon Hill’s seminal work and am proud to

present this book for your enjoyment, appreciation, and education. —Don M. Green, Executive Director, Chief Executive Officer, and Trustee

The Devil at Large

Erica Jong on Henry Miller *Open Road Media*

Fearless, iconic poet, novelist, and feminist Erica Jong offers a fascinating in-depth appreciation of the

controversial life and work of American literary giant Henry Miller Henry Miller (*Tropic of Cancer*) and Erica Jong (*Fear of Flying*) are true literary soul mates. Both authors have been, in equal measure, lauded for their creative genius and maligned for their frank treatment of human sexuality. So who better than Erica Jong to offer an expert appraisal and appreciation of Henry Miller, the man and his art? At once a critical study, a biography, a memoir of a remarkable friendship, and a celebration of the life and work of the author whom Erica Jong compares to Whitman, *The Devil at Large* explores the peaks and valleys of Miller's storied writing career. It examines his tumultuous relationships—including his doomed marriage to June Mansfield and his lifelong tenuous bond with his mother—and confirms his standing as a creative genius. Jong, a renowned feminist, courageously answers critics who accuse her subject of degrading women in his fiction, suggesting instead that he sought to demystify them by means of the "violent verbal magic of his books." With grace, wit, warmth, and intelligence, Jong brings readers close to the man and his writing. There has never been a more incisive and insightful analysis of this exceptional American master. This ebook features an illustrated biography of Erica Jong

including rare photos and never-before-seen documents from the author's personal collection.

Conversation with the Devil A Book for T Author House

It is difficult to explain this book, just as it was to explain, "A Conversation with Jesus---a book for the unbeliever." Suddenly it seemed a good idea to write a companion book to my recent book, "Conversation with Jesus" and I thought a book titled, "Conversation with the Devil" would make the set almost irresistible. After all, our Lord had a chance to get his message out through the unnamed Historian and it seemed fair to give Satan the chance to show himself too. The Devil was the one

who said adamantly, "I would rather rule in hell than serve in heaven," and caused the cataclysmic battle with Michael the Archangel in which the Devil and his forces (one third of fallen angels from the whole of the heavenly phalanx) were defeated and taken to the edge of heaven and thrown over the edge. And here the Historian, now named Christian, was called by a voice on the wind (a voice he thinks is Jesus') to come to the most desolate place in the world, the fortress of Masada by the Dead Sea in the Judean Desert. This book is for the believer to show how wary they must be from the enticements of Satan, a powerful entity who has tried to hide the reality of his

presence in stealing men's souls down the ages. Well, here he is real and talking.

Freedom from Your Fears

Step Into Your Success *Sound Wisdom*

Don't let fear hold you back from the personal and professional success you were meant to enjoy. It's time to master your fears and increase your resilience so that you can regain control of your life and achieve your vision of success. Fear is one of the greatest obstacles to your success, happiness, and

fulfillment, and it is one of the most difficult to combat. It roots itself deep in the subconscious and darkens your dominating thoughts, coloring your perceptions and, in turn, your actions. But fear does not have to write your story. It is simply an emotion—one that can be mastered and channeled to work for, rather than against, you. This guidebook contains Napoleon Hill's best advice for throwing off the chains of fear, finding opportunity within temporary defeat, and living life with intention. You'll learn how to: Develop the self-confidence, faith, and willpower you need to overcome even the most challenging obstacle; Reduce your vulnerability to the negative influences of others; Conquer the seven basic fears by forming new mental habits; Filter the noise around you and de-escalate the panic of Fearenza and Worryitis; Harness the power of Cosmic Habitforce to accelerate your success; and, Implement the mastermind principle to identify new opportunities for Collaboration and innovation. "The only thing we have to fear is fear itself!" This famous line from Franklin D. Roosevelt's inaugural address is etched into the public consciousness, but few people know that its inspiration derived from one of his advisors, Napoleon Hill.

Commissioned by the great steel magnate Andrew Carnegie to build a philosophy of individual achievement, Hill spent 25 years conducting research on more than 500 distinguished individuals to uncover a magic law of the human mind that guaranteed personal and professional success. The achievement principles he discovered enabled a generation to break the bonds of fear responsible for exacerbating the ills of the Great Depression and world war and raise themselves to new levels of success—and they continue to do so today. If there was ever a time in this country when men and women need to recognize the power of

their own minds, when they need to overcome frustration and fear, that time is now. There is too much fear spread around, too many people talking about depressions. ...Let's get our minds, each and every one of us as individuals, fixed upon a definite goal so big and so outstanding that we'll have no time to think about these things we don't want.—Napoleon Hill

Think Your Way to Wealth Returned to print after many years of unavailability, this book opens the doorway to a treasury of wisdom. Think Your Way to Wealth captures Napoleon Hill's initial encounter with Andrew Carnegie, who revealed the money-attracting

strategy that Hill later popularized in his later work. Think Your Way to Wealth is Hill's vivid account of that seminal meeting and captures Carnegie's initial advice, how-to's, practical steps, and concrete directions. Originally published in 1948, Think Your Way to Wealth has been out of print and unavailable for many years. This new Tarcher Success Classics edition reproduces the complete, original text just as Hill first presented it. The Master Key to Riches The Master-Key to Riches is the blueprint that Napoleon Hill placed in the hands of those who would teach and perfect his success methods. Now revised and updated for the twenty-first century to

avoid arcane language or points of reference, this book contains the full range of ideas and exercises that appeared in the original edition. In this volume, Hill covers lessons including: * The Law of Cosmic Habitforce * Andrew Carnegie's "Master Mind" Method * The Magic of Going the "Extra Mile" * The Twelve True Riches of Life The Magic Ladder to Success This book is the volume in which Napoleon Hill first distilled the seventeen factors that make up his "Law of Success" philosophy. These key principles capture the ethics and actions that empower all who harness them to become leaders in the field of their choice. Leaders are not born, Hill argues, they are

molded by a remarkably similar, simple, and dynamic set of habits. The Magic Ladder to Success is Napoleon Hill's lost classic—long out of print, this new edition has been revised and updated for the twenty-first century.

Your Right to Be Rich

Napoleon Hill's Proven Program for Prosperity and Happiness *Penguin*

Dr. Napoleon Hill's landmark book *Think and Grow Rich* does not restrict the concept of riches to such narrow parameters as fortune and fame. You have the right to be rich, and you deserve to be rich in every way—personally and spiritually—as well as financially. This seemingly simple idea spawned a philosophy about wealth and success that has permeated every generation since its inception. *Your Right to Be Rich* gathers transcripts from the most vital and important speeches given by Napoleon Hill. Available in the past only as audio editions and sound-bite

snippets, transcripts from these speeches will be presented in print for the first time here.

Think and Grow Rich for Women

Using Your Power to Create Success and Significance *Penguin*

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a powerful

new book—from the award-winning author of *Think and Grow Rich: Three Feet from Gold* and coauthor of the multimillion-selling *Rich Dad, Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleeza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson, Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.
