Capital in Manga by Unknown - Goodreads

As the gap between rich and poor continues to widen, a new generation is reflecting on the insights of Karl Marx. Marx not only stood against the global economic

system but he also helped us understand it. He explained how wealth was created on the backs of workers, how “surplus value” is realized and how accumulation is achieved through unpaid labour-time, the intensification of ...

Capital-in manga is

about 190 pages of manga that attempts to bring out the problems of capitalism to light, exposing the need for something else. My first critique obviously is that the book is short for paying nearly \$30, where usually that price gets me about 600 pages of manga.
