This only goes to prove that the CCIE is quite an exclusive certification. I suppose another reason is the sheer cost of trying to pass it with most candidates making an average attempt rate of 2-3. Each attempt costing \$1500 plus travel, plus all the training costs plus all the time required to study for this exam.

How many CCIEs are there in the World?

Route Distinguisher. The route distinguisher has only one purpose, to make IPv4 prefixes globally unique. It is used by the PE routers to identify which VPN a packet belongs to, e.g to enable a router to distinguish between 10.0.0.1/8 for Customer A and 10.0.0.1/8 for Customer B.
