(PDF) The place of counselling in social work

Social workers and counselors develop many of the same skills, including the ability to communicate effectively and think critically. During their degree programs, learners pursuing an MSW focus on understanding social policy and learning how to work with patients dealing with substance abuse and addiction disorders.

Counseling vs. Social Work: What's the Difference?

Counselling is a helping approach that highlights the emotional and intellectual experience of a client: how a client is feeling and what they think about the problem they have sought help for. Psychotherapy , however, is based in the psychodynamic approach—it encourages the client to go back to their earlier experiences and explore how these experiences affect their current ‘problem’.
