**Syria: A Case Study in International Law by Christopher ...**

The use of force is regulated by several different regimes of international law. General public international law and the law of the United Nations Charter govern the legality of the resort to the use of force between States. This is referred to as the *ius ad bellum*. It is important to note that IHL's application does not, in any way, depend on *ius ad bellum* determinations of the legality of resort to force.
