Talking about Machines: An Ethnography of a Modern Job ...

The machines are the third party to the triangular relationship of service. In a sense, the machines create and partially determine the world of service, in that the relations between customers and technicians that have been described in the preceding chapters occur because of the presence and behavior of machines.

Talking about machines: An ethnography of a modern job

Heralded as a book which demonstrates "an uncompromising ethnographic eye on work practices (1996:xiv)", Talking about Machines by Julian Orr does not live up to its advertising. While being thorough (overly so) in his explanations of the "interactions" of technicians who travel to clients throughout Silicon Valley, he is sadly lacking in providing the ehtnography he claims to be striving towards.
