Structure of Baghdad's government. The government of Baghdad is divided into a hierarchy of governments that both aid governance and provide bottom-up representation. The city constitutes a new “capital territory” whose structure differs from other parts of the country.

Government of Baghdad - Wikipedia

It takes many highly qualified professionals to make city government run smoothly. While the city council makes the big decisions and sets policy direction, city staffers make smaller but still important decisions each day. It would be impossible for a mayor or city council to micromanage a city’s staff, so elected officials must trust the professional judgment of the public administrators.

The Different Local City Government Positions

Health services in London are managed by the national government through the National Health Service, which is controlled and administered in London by a single strategic health authority called NHS London. Lower tier. The 33 local authorities are the 32 London borough councils and the City of London Corporation.
